5 Add to Favorites 5.1 The Constitution of India The Constitution is the supreme legal framework of India. It was adopted on 26 November 1949. It came into effect on 26 January 1950. Dr. B. R. Ambedkar chaired the Drafting Committee. India became a sovereign democratic republic. The Constitution establishes fundamental rights, directive principles, and the structure of government. It defines the pow

India became independent on 15 August 1947. British India was partitioned into India and Pakistan. Partition caused mass migration, communal violence, and immense human suffering. India began the process of building a democratic government and integrating princely states. The Constituent Assembly drafted the Constitution of India.

education and reform. 4.3 The Revolt of 1857 The Revolt of 1857 was a major uprising against East India Company rule. It began among Indian soldiers, or sepoys, and spread to several regions. Causes included military grievances, political annexations, economic pressures, and religious and social concerns. Important figures included Rani Lakshmibai, Bahadur Shah Zafar, Nana Sahib, and Tantia Tope. T
